By the purchase Thursday morning the city is saving \$17 a day interest for 15 years, in addition to adding \$1600 to the general fund by reason of the discount at which the bonds were purchased. The purchase of the bonds means a total saving to the city of \$165,000. The bonds purchased were the El Paso city school bonds, series No. 4, being 50 bonds for \$1000 each. They were approved June 4, 1903 Sewer extension and improvement bonds, series 4, being 60 bonds for \$1000 each, were the other bonds bought. Both bonds bore five percent interest. The purchase of the \$45,000 worth of bonds last week resulted in taking up all the bends of the city outstanding bearing six percent. city council Thursday morning gave the inhabitants 30 days in which to vacate their houses and destroy them. They were condemned on the ground that they were unsanitary. The action taken Thursday morning comes as the result of the decision on the part of the city officials to clean up and make the southern portion of the city as sanitary as possible. Dr. W. H. Anderson, city health officer stated that the death rate health officer, stated that the death rate of El Paso, excluding the infant death rate among Mexican children, was 8 9-10, with that included it is 22 per-

Thirty Mexicans appeared before the city council Thursday morning in answer to the summons of tast week. They were told that their houses had been inspected by the health officers and had been pronounced unsanitary and unfit for habitation. Instances of where stables and toilets, being tin wash tubs, were placed against the kitchen and living rooms of the shacks. Some of the Mexicans themseives stated that as many as 10 and 12 persons lived in three room houses, this number being made up of the members of three families. They were allowed 30 days to move out and destroy their homes. If at the end of that time this had not been done, the city, six weeks

from today, will begin the destruction of the condemned houses.

The locality affected is properly known as Chibushuita. It is on the other side of the canal and extends from Santa Fe to Kansas streets. A great portion of it is located on property of the El Paso & Northern railway. erty of the El Paso & Northern railway Deep Sewer Contract Awarded.

The city has let the contract for the construction of the deep sewer to the Arthur Bent Construction company, of Arthur Bent Construction company, of Los Angeles. The company was re-quired to furnish a hond of \$20,000. Two local people will be selected as agents for the company so that in case of a suit, service can be made on them. The maximum price for the sewer is to be approximately \$95,000. The sewer is to extend from Durance street to the is to extend from Durango street to the Arson Reward Offered.

A resolution offering a standing re-ward of \$400 to be paid by the city for the arrest and conviction of anyone for the crime of arson, was adopted. The police chief's duty will be to see that hese placards remain where they will

One of the largest real estate deals recorded in several weeks in El Paso was closed late Wednesday afternoon when Chas. R. Stevens sold the Carlyle hotel, on the corner of San Francisco and Durango streets owned by L. Lindsey, to W. R. Brown, R. C. Lightbody and J. J. Watts for \$16,000. The property fronts 60 feet on San Francisco street and is a three story brick building at present used as a hotel.

Zeiger To Be Remodeled.

The Zeiger hotel property on the corner of Oregon and Overland streets is to be remodeled. The upper stories will continue to be used for hotel purposes, but the bar and restaurant on Overland street are to be converted into a store for Emil Strauss, at present conducting the Blue store across the street. The whole front will be changed and plate glass windows installed. There will be a restaurant on Oregon street. These changes are to be made Aug. 31, when E. Moye takes possession of the property.
